**Sub:- Confirmation of Avian Influenza in Regional Poultry Farm, Purnea,Bihar - regarding.**  
Sir,

It is to inform all the concerned parties involved in the import of Poultry birds/Chicks/eggs/poultry meat from mainland to these Islands that an outbreak of Avian Influenza had been reported from Regional Poultry Farm, Lanka Tola, Madhubani, Purnea, Bihar state during March 2013.

The Department of Animal Husbandry, Dairying & Fisheries, Ministry of Agriculture, Govt of India has issued strict instructions to the Chief Secretary, Govt of Bihar to take series of strategic actions to be taken by local Animal Husbandry and Public health departments of the Bihar state as per the approved "Action Plan" of Animal Husbandry for preparedness control & Containment of Avian Influenza " circulated by Govt of India .The culling of birds, destruction of eggs and feed materials etc. had already commenced in the one kilometer radius of the above farm and the surveillance will be carried out over a radius upto 10 Kilometers, from the epicenter.

Therefore all the local importers of poultry birds/chicks/dressed chicken, feed materials etc from mainland to these Islands are requested not to import any of the above items from Bihar state till the situation is brought under control.

The instructions may please be complied with immediate effect.

Yours faithfully

(Dr.P Balakrishnan)  
Director (AH&VS)
